# 14th Annual Cardiovascular Update 2021

February 13, 2021 • A Virtual Event

## CONFERENCE DESCRIPTION

Cardiovascular Update 2021 is being offered through The CVA Medical Education Foundation. It is an annual continuing medical education meeting designed to provide physicians and other healthcare staff with a practical and timely overview of important developments in the care of patients with cardiovascular disease. A spectrum of cardiovascular topics will be discussed. The format will be expert-led lectures and discussions with adequate time for questions and comments from the audience.

## OBJECTIVES

- Discuss evaluation and treatment strategies for systemic hypertension.
- Review recent data with evidence based treatment for patients with acute coronary syndrome.
- Apply evidence therapies for patients with congestive heart failure.
- Adhere to guidelines for evaluation and treatment of patients with atrial fibrillation.
- Discuss evaluation and treatment strategies for patients with venous disease.
- Utilize evidence based treatment for patients with congestive heart failure and diabetes.
- Discuss strategies in management of cardiac strategies of COVID.

## TARGET AUDIENCE

This conference is designed for physicians, clinicians, nurses, and medical staff who treat and manage patients with cardiovascular disease. This includes those who specialize in internal medicine, family medicine, OB/GYN, neurology, critical care, pulmonary and podiatry.
