# 16th Annual Cardiovascular Update 2023

February 18, 2023

Marriott Birmingham • Birmingham, AL

## CONFERENCE DESCRIPTION

Cardiovascular Update 2023 is being offered through The CVA Medical Education Foundation. It is an annual continuing medical education meeting designed to provide physicians and other healthcare staff with a practical and timely overview of important developments in the care of patients with cardiovascular disease. A spectrum of cardiovascular topics will be discussed. The format will be expert-led lectures and discussions with adequate time for questions and comments from the audience.

## OBJECTIVES

- Adhere to guidelines for evaluation and treatment of patients with atrial fibrillation.
- Appreciate the importance of mitral regurgitation and appropriately manage and refer these patients.
- Discuss evaluation and treatment strategies for patients with venous disease.
- Apply evidence-based therapies for patients with congestive heart failure.
- Discuss evaluation and treatment strategies for patients who are pregnant and have hypertension.
- Utilize evidence-based treatment for patients with heart disease.

## TARGET AUDIENCE

This conference is designed for physicians, clinicians, nurses, and medical staff who treat and manage patients with cardiovascular disease. This includes those who specialize in internal medicine, family medicine, OB/GYN, neurology, critical care, pulmonary and podiatry.
