Update 2018

11th Annual Cardiovascular Update 2018

February 17, 2018 • Birmingham, Alabama

CONFERENCE DESCRIPTION

Cardiovascular Update 2018 is being offered through The CVA Medical Education Foundation. It is an annual continuing medical education meeting designed to provide physicians and other healthcare staff with a practical and timely overview of important developments in the care of patients with cardiovascular disease. A spectrum of cardiovascular topics will be discussed. The format will be expert-led lectures and discussions with adequate time for questions and comments from the audience.

OBJECTIVES

- Discuss evaluation and treatment strategies for patients with systemic hypertension.
- Apply evidence-based therapies for patients with stable ischemic heart disease.
- Appropriately evaluate patients with syncope.
- Adhere to best practices for optimal medical therapy and revascularization in patients with carotid stenosis.
- Discuss evaluation and treatment of valvular disease.
- Utilize evidence-based interventions for diabetes that prevent cardiovascular disease.

TARGET AUDIENCE

This conference is designed for physicians, clinicians, nurses, and medical staff who treat and manage patients with cardiovascular disease. This includes those who specialize in internal medicine, family medicine, OB/GYN, neurology, critical care, pulmonary and podiatry.

For more information or to register, visit us online at cvupdate.org or call us at (205) 616-5938
